In the event of the identity and/or age of a player being challenged during the tournament by any interested party, it will be the sole responsibility of the team manager to supply any ONE of the following documents as proof of the player's identity and/or age.

- 1) The original of the Official League Identification Card, which must incorporate a colour photograph of the player concerned.
- 2) Copy of the player's personal passport, which clearly shows an identifiable photograph of the player concerned.

Any ONE of these documents must be available for inspection at all times during the Tournament.

In exceptional circumstances, if a player does not hold a passport, or the League Cards do not have photographs, you may use a photograph of the player and the reverse of the photograph must show the players name and date of birth and be signed by the Club Secretary of your team to confirm that the photograph is a correct likeness of the player concerned and that the date of birth is verified as true and accurate.

NO exceptions or substitutions to the above list of acceptable proof of identity and/or age will be permitted. In the event of a failure to produce the required proof during the event, all points awarded during the competition will become null and void.

Age Categories – Dates are available on our website at <http://www.footballtournaments.co.uk/tours/uk-football-tours/uk-tournament-format>
